COMMUNICATION TO EXAMINER

Dear Sir:

Please note that this application is a continuation of U.S. Serial No. 08/931,927, filed September 17, 1997, which was a continuation of U.S. Serial No. 08/322,313 filed October 13, 1994, which was a continuation-in-part of U.S. application Serial No. 08/124,098 filed by Caid et al., on September 20, 1993.

The specification as submitted herewith contains the entirety of the disclosure of both the 08/322,313 (grandparent) application and the 08/124,098 (great-grandparent) application. Support for disclosure of 08/124,098 is based on the fact that the 08/322,313 application as filed incorporated the 08/124,098 application by reference.

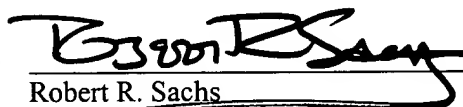

The incorporation of the 08/124,098 disclosure into the body of the instant specification has resulted in the renumbering of the Figures of the grandparent application as Figs. 29-43, and renumber of Equations 1-4 of the grandparent application as Equations 14-17. In addition, minor grammatical changes have been made to provide for ease of reading. Accordingly, no new matter is added by incorporation of the great grandparent application's disclosure.

Finally, as the subject matter of the instant specification now has a priority date of September 20, 1993, the Examiner is respectfully requested to conduct his search with respect to this priority date.

If the Examiner has any questions about the foregoing, he is invited to contact the undersigned attorney by telephone.

Respectfully submitted,
WILLIAM CAID & PU QING
